We are proud to have hosted our Annual Banquet and Award Ceremony successfully on the 4th of November 2016 at Tusk Rio Casino. Great thanks have to be extended to our main sponsor, the Industrial Development Corporation, and our members for participating. The general public also played a role in making the occasion what it was, a great success. Graced by the presence of the Mayor of City of Matlosana, Cllr Maetu Kgaile and various business giants, the evening was filled with the joyous spirits of our province's hard working people, business people and innovators. The recognition of such people was our primary goal. Various organisations were excited to customise the awards in their names and the recipients also expressed gratitude for the recognition they were receiving.
